“ I'm so, so sorry for your (our) loss. She was a great gal. She volunteered at Tuality Healthcare and I was her "boss". I would always seek her council when I had a problem volunteer and she always gave me good advice. Her nursing background really helped out. Being able to use her beach house over the years has been a big part of our life. I felt very connected to her through that house. I remember the story of how she was able to buy it. She also loved her dogs. I love the picture on the wall in the house of them. She was a wonderful person and I will remember her always.

“ Anita was a wonderful, caring lady. She used to play duplicate bridge at our Corvallis Bridge venues. We looked forward to seeing Anita and Bob. Sorry for your loss.
