

David Gene Stauffer

April 23, 1955 - June 9, 2019

David Stauffer, 64, of Corvallis, left his body due to a heart attack while taking a walk in Corvallis on Jun 9, 2019. He was a loving husband and father and a friend to all. As someone affectionately said, "He was a good man." If anyone needed assistance, he was always willing to help out. He loved nature, golf, Disney World and traveling.

His physical form may no longer be with us, but he will forever be in our hearts. He is survived by his wife, Brenda; son, Cory; daughter, Michelle; and family dog, Santi. Please leave condolences for the family at <http://www.mchenryfuneralhome.com>.

“ I am very sad to hear of your (and our) loss. I was fortunate to work with David before I retired from the Oregon Judicial Department. I remember his sense of humor, friendliness, and professionalism. My thoughts are with you at this difficult time. Dana Jensen

“ David was a good man. I worked with him at Judicial before I retired and I will always remember his great smile (and the wonderful chili he made for our chili cookoff!) My condolences to all of you. He will be greatly missed.

“ David was a kind, gentle guy, who I had the honor of calling a friend. I have two beautiful ceramic parrots that he was willing to bring me back from his trips to Texas to visit his "daddy". David was a member of a very select group that celebrated birthdays with a lunch for each member every year, no matter if we were working together or not. So David, "just play thru", you will be missed!

“ I can't believe how shocked and saddened with his passing. David was one of the best people I have had the pleasure to know. He was always willing to lend a hand. He had a wonderfully wicked sense of humor that would come out when you least expected it. I loved working with him on a daily basis. He will be missed by many. I am richer for having his friendship and the world is much poorer for his passing.

“ Dearest Stauffer Family, it is with great sadness to learn of your loss. I worked with David a number of years ago and enjoyed his attention to detail and timely responses. One of the fondest memories I have is when I started work and made an inquiry with David, his response, in that long Texas drawl would be, "Hello, Darlin'." His presence will be sorely missed.
