

## Dorothy Sperling

April 9, 1922 - September 2, 2011

The long, happy life of Dorothy Sperling came to an end in the early morning of September 2, 2011.

Shortly after she was born in Sweden on April 9, 1922, she came to America with her parents, Marie Swenson Carlson and John Carlson, and her brother John. They joined many Scandinavian immigrants in Brooklyn, NY, where Dorothy met Bert Sperling, whom she married on February 5, 1948. As Bert was in the Navy, he, Dorothy and their family lived in Norway, California and Alaska before settling in Corvallis.

Dorothy was avidly interested in the visual arts, literature, and the theater. She attended Hunter College in Manhattan where she received a degree in English and Journalism and, later, a Master's degree in Communication from OSU. She taught elementary school in Kodiak, Alaska, and, here in Corvallis, she taught for 20 years at Highland View Junior High. After she and Bert retired in 1981, they travelled the world from Borneo to Finland. She is survived by her husband, their son Bertrand T. Sperling and his wife Gretchen and their sons, Bertrand A. and Theodore H. Sperling, and their daughter Christine M. Sperling and her husband E. Philip Mattox. At Dorothy's request, there will be no service.

“ Truly one of the finest people, teachers, and human beings I ever had the opportunity to know, learn from, and be a part of something special in her class. My sincerest sympathies on her passing. She was a very special, one of a kind individual.

“ I am deeply saddened to learn of Dorothy's passing. She was a kind, caring, woman who would stop at my house each day to pet my cats who waited for her every evening. I will miss her as will my cats. Please accept my sympathy.
