“ I am so sorry to hear this. I was just thinking of he and Bev last week. I lived next to his mom and had the pleasure of working with both and and Bev in the real estate/mortgage industry. He was a wonderful man.

“ My dear June,
Bob and I are so very, very sorry and heartbroken to hear of Earl's passing. Please know that we are thinking of you and recalling all of the times we spent On the Alsea river trying to get that big one. And, really not caring a bit. I'll always remember Earl as a very kind and gentle man.

“ Earl was a Cool Cat. A very humble man who loved to go fishing. When we were new to Corvallis he was a huge help. I doubt anyone ever had a bad thing to say about Earl. Rest in Peace My Man

“ Hi June:

The last time we saw you was at an OSU women's BB game--you two in matching plaid Beaver shirts. We thought that was really cool. We moved to Eagle, Idaho a couple of months ago to be near family but still read the Gazette on-line to keep in touch with our 'home' town. We were saddened to read that Earl had passed, but glad to know that you two had ten wonderful years together. We can't be there to give you a hug and share so many memories with you, but will be thinking of you and remembering both Earl and Bev and the special relationship you 3 had together. Sincerely, Steve & June Swedberg

“ I last saw Earl at the women's Civil War basketball game this past spring. He and June were sitting close to where Andy Landforce, his daughter Debbie and I were enjoying the game. Earl and I shared a love of the "pursuit of the attainable, a perpetual series of occasions for hope" AKA fishing!

My heart goes out to June on this sad occasion.
