“ I worked with June for many years at Corvallis High School. I've never known anyone more professional, and no one - absolutely no one - did more to support the teachers of Corvallis than June did. She was truly one of a kind and she will be missed by so many of us teachers.

“ June was a role model to all of us at CHS. She taught us how to stand up and "Speak Truth to Power" long before it became a slogan. I always admired her strength and conviction. She will be missed at many of her familiar haunts around town, but especially chez Le Pâtissier.

“ I have fond memories of Mrs. McMurdo. She was my health teacher at C. H. S. in 1986/7. She was a very nice lady and taught her class with great aplomb. May I express my sincerest condolences.

“ I taught School with June at Corvallis High School for many years. We became good colleges as well as friends. Did several fix up projects at her home in Corvallis. Had a visit with her this last spring, said we needed to get the retired facility of CHS to a meeting of some kind. I share in your loss because she was an outstanding person as well as a friend.
