“ 22 years ago my husband and I moved to Corvallis. Trudy was one of the first people we met. We remained neighbors over the years - seeing her outside in the warmer months - where we had many wonderful conversations. When we had our daughter, Trudy babysat her a few times. We often saw her at St. Vincent De Paul thrift store and again had more fun conversations. The last couple of years my daughter and I would stop in and see her during our summer evening bike rides. She showed us her rock collections, told us stories, and just last fall, gave me a cut of one her greek oregano plants (which is still growing and which I called the Trudy plant). We knew she had been diagnosed with cancer ~ but she continued to be Trudy - funny, positive with so much faith. I just learned through our neighbors, the Price family, that Trudy passed back in February. I had been thinking of her in recent days and made a note to stop in and see her during one of our walks or bike rides. I am so sad to know we won't be able to do that. We are going to miss her presence in our life and in the neighborhood and are so grateful for having had the gift of knowing her. She truly was a beautiful Light. Much love and comfort to her family, especially her children and grandchildren whom she spoke of most often. The Trinity's ~ Vicki, Stephen & Aurora

“ Dear Trudy, I miss you so much! I praise God that we shared so many hours of prayer together, so many laughs, some tears, and many fond memories. Your family was the center of your prayer focus, you always believed the best in and for each and every one of them. The name of Jesus was never far from your lips, for He was not only your Savior, but your best friend. You could text out the perfect prayer whenever I reached out to you for help. I know you are having a blast in heaven, I am happy you are reunited with Dale and all your loved ones that have gone before you. Until we meet again, Amy

“ I only chatted with Trudy in person two ,times, including a tour of her lovely garden. We shared our love for Jesus, faith in prayer, gardening and love for Heavenly Blue Morning Glories. We texted and had an occasional phone chat. We mailed seed packets to each other. We always meant to get together again. We will one day again. Trudy was a powerful Woman of Faith! She was a mighty prayer warrior! So inspiring. I was blessed to be influenced by her. She loved her family, and bragged on them continually. What a beautiful legacy. She holds a special place in my heart and soul. .

“ Trudy and I are same age and, as cousins, shared many times together growing up. What a fine person. Our paths didn't cross as much as adults but still when we got together we played the "Remember when" game. Her family was her great pride and rightfully so. The good Lord has a new angel.
