“ Remembering Mary on her birthday. She had a special gift of knowing dates of events. She could easily recall the memory from the story of her life and tell you exactly when it happened. Peace and love forever more Mary.

“ we will miss your sweet smile, one of the sweetest souls to ever meet here on this earth, now there is no more pain, you will have a special place in heaven for all that you have suffered here....

“ I remember playing with her, Georgette, Patty, and Bobby in the early 1960s, when her family had the Laundromat over on Grant, near the then 29th St. Market. It's so hard to see she is gone; but if God wills it, she will join her mother, father, and sister Patty and live forever in perfect joy.

“ Mary and I bowled together for so many years. She was a friend, competitor, a loving and caring person. She always greeted me with a smile no matter how she was feeling. One year we tied for the league high average with the same number of games and number of pins! We always laughed about the "odds" of that happening. To your family, may they find comfort in knowing that the thought of you will always bring a smile and make the day brighter.

“ I meet Mary at Highland View Junior High School, she was a student and I was a teacher. She always walked her brother Bobby to class. Her brother was in my Drafting class and at times she would be a bit bossy toward him and I would say to her don't boss your brother so much and she would say but he needs bossing.
She was also a friend and bowling partner. That bowling lasted until she could no longer bowl. I will miss her infectious greeting smile and the positive way she would say "how is it going" always up beat. God Bless you with Love and kindness.
