

Paul Gordon Skirvin

August 1, 1929 - July 1, 2019

Paul Skirvin passed away peacefully at his Philomath home on July 1, 2019.

Paul was born August 1, 1929, near Molalla, Oregon to Enoch Skirvin and Gertrude Kylo Skirvin. He was raised on a farm in the Marquam area where he learned many of his skills in building and repairing equipment. He graduated from Molalla High School in 1948 and enjoyed his annual high school reunions, maintaining life-long connections with his classmates.

Paul married Lola Plumley Lorain in Corvallis on March 3, 1973. They made Philomath their home. Paul lost the love of his life, Lola, to cancer on August 19, 2018.

Paul was a self-employed contract logger, serving as President of Enoch Skirvin & Sons, Inc, with his brothers Walter and Carl. Wayne Howard & Jim Shroyer of Philomath helped the company build their shop building where the logging company repaired and built equipment for themselves and others.

Paul moved to Philomath in 1958 when Enoch Skirvin & Sons started logging for Rex Clemens. After Clemens sold his timberland in 1972, the company logged for Willamette Industries, Inc., in the Marcola/Springfield/Cottage Grove area.

In 1966 he received his pilot's license and utilized his private runway near his home for many flights around the country for both business and pleasure. That private runway later proved significant in restarting the Philomath rodeo.

Paul's hobbies very much reflected his life's passions: Collecting antique tractors and caterpillars; flying and piloting his airplanes, horseback riding and rodeoing.

Paul was a board member of the Two Cylinder Club (Antique Tractor Club); member of Antique Caterpillar Machinery Owners Club and chairman of Philomath Antique Tractor Pull.

As a long-time member of Associated Oregon Loggers, he served as State President, State Vice President, District Representative and chair of the Marys Peak Chapter. He was a Board Member of the Philomath High School Forestry Club and co-chaired the Philomath Forestry Show.

Paul was proud to be a member of the Oregon Mounted Governors Guard, having served as past First Lieutenant and Captain. He rode his horse in several Rose Parades as part of the Governors Guard.

Paul and brothers Walter and Carl were instrumental in restarting the Philomath Frolic & Rodeo in 1983 generously allowing use of their private property to stage rodeo events and where eventually the arena, stands and chutes were built. Paul served as rodeo chairman, Vice President of the Philomath Frolic & Rodeo and on the Board of Directors for the Northwest Professional Rodeo Association.

After 35 years of permission of using his property for rodeo events, in 2018 Paul and Lola Skirvin (Skirvin Farms LLC) donated 20 acres to the City of Philomath, specifically subject to the City providing a long-term agreement with the Philomath Frolic & Rodeo Assn. That land, now Skirvin Park, is only for community-wide purposes and Frolic & Rodeo events. Paul Skirvin lived his life with the understanding you only get from life what you put into it. When asked for help, he didn't know how to say no. He helped with a number of community projects: the Forest Building on the Alsea Highway; the new Philomath Fire Department, the Philomath High School football bleachers; the new Philomath Library; the High School Forestry Building; the Philomath Rodeo Grounds and probably ones that have been forgotten.

As a member of the Philomath Chamber of Commerce, he brought in his own equipment to provide grading, gravel and leveling of the grounds for the Chamber office site. He also helped with the Library site; served on the Philomath School Budget Committee and as a Board Member on the Forest Products State Advisory.

Paul was predeceased by wife Lola, his parents, two brothers and six sisters. He is survived by one brother, Charles of Salem, sisters Diane Johnson of Scio and Deborah Weaver of Corvallis; two step-sons Tim Lorain and Steve Lorain of Philomath and numerous nieces and nephews.

Visitation will be from 9 to 11 a.m. Monday, July 15, at McHenry Funeral Home in Corvallis. A graveside funeral service will be at 1 p.m. that same day at Maplewood Pioneer Cemetery, Scotts Mills. A celebration of life will be held at a later date in Philomath. Condolences may be left at www.mchenryfuneralhome.com

In lieu of flowers please consider contributions to: Philomath High School Forestry Program, Philomath Community Services, Philomath Youth Activities Club, Philomath Scout Lodge.

Comments

“ Paul was what I called a "loggers logger". I worked with him as a founding member of the NW Logging Museum and in my years working for Associated Oregon Loggers. He was one of the kindest persons I have ever known. He made a difference in all he did. He will be sorely missed.

H. Mike Miller - Yesterday at 08:42 PM

“ I had the pleasure to get to know the fine Skirvin family while working down in the Alsea area. I always remember getting up to go to work and Walt and Paul would be the first ones on the Willamette radio in the morning. I think it was a competition of some sort. Never heard a bad word about Paul and his company. Great person great family.

Jeff Wimer - July 12 at 12:14 AM

“ Paul (my Cousin) was always gentle and quietly thoughtful in my contacts with him as well as with the rather large Skirvin Family over many years.
I regret we were not as close as I would have preferred. A result of the History of our descendants. My prayers are attached to this Memorial footnote for Paul and other members of his Family.
Cousin Weldon (Jean) Skirvin
