“ I am so saddened to have just been told about this wonderful woman's passing. ... Peggy was amazing. She treated me like family from the first day, she met me.. I will never forget her spending the, first month with us, when Anthony was born. She was saviour helped teach me techniques and she loved staying up with him at night.. she said that was her alone time she got with her baby!! It was so hard for us all when she left. . Then a year later we went to see her and Anthony cried hard and it broke her heart she thought he would remember her for sure! Only took a few and he warmed right back.. I loved her very much and, was very blessed to have known her and to have had her touch my life.
