Comments

“ Met Bob and Joyce shortly after we moved from California to Willamette Landing. We considered buying the home that Bob and Joyce eventually moved into. I agree with other comments that Bob was a "gentle giant" so to speak - very kind and quiet and very easy to get to know. We met Cindy and Denise when they would come visit their parents. Joyce was also a very special person - both of them were blessings for as long as we knew them. When Bob moved away from the "neighborhood" I lost contact but I would always offer up prayers for his well-being. Now he is reunited with Joyce again and in the presence of the Lord Almighty. Will miss you Bob. Prayers and hugs to he "kids." Annette and Jim Coleman (on Shoreline in Corvallis)

“ I met Bob at Highland Bowl and bowled with him on the Tuesday Senior Monte Carlo. I spoke to him often at Quail Run where our 90 yr old Aunt Berniece lives and she also had many conversations with Bob. He was kind and quiet. I never heard him say a bad word about anyone and everyone liked him. One time he told someone at the alleys that he wanted to ask me to go to a Knights baseball game (I was widowed then) but never quite got up the nerve to ask me :) . I have fond memories of him and enjoyed bowling with him. My prayers are with the family at this time of loss. Have faith.. God has a plan even if we do not understand it.

“ I meet Bob bowling at highland bowl in corvallis many years ago and really enjoyed our weekly league for many years as well. Every year our team was centered around Bob because of his mild yet firm being. He loved his family and talked about them often. We have not bowled in years but Bob still is thought of often and talked about kindly. Thank you Bob for being a friend. Victor

“ Our family first met the Lee family through Our Saviors Lutheran Church. I worked with Joyce and Bob at the Champion Tree Nursery, in Lebanon Oregon, with over 20 years there. Bob was an excellent boss, and a very kind and caring person. I send my condolences to the Lee family.
