“ I know Ruth meant so much to so many people but especially to those of us in the Corvallis High School Class of 1955. She has been our leader, our organizer, our communicator, and our inspiration. Living in California I guess there isn't much I can do for the family but last week I made a special effort to teach reading to a homeless second grader living in a church and I know Ruth was my inspiration.

“ Rachelle & Family,
We are so sorry about the loss of your mom. It was such a pleasure to know her and have her in our neighborhood. We wish you strength and peace as you adjust to her passing.

“ Ruth was one of our most favorite customers! Not only a customer, but a friend. She was always so kind and generous. She had a baby shower tea for me at her home after knowing me for only a short time. When they moved from "Sunset Hill" she always made sure we scheduled her at the end of our business day so we could sit and catch up with a cold beverage before getting the job done! She was an amazing lady. Thankful to have known her! She will be missed tremendously.

“ Ruth was a very special lady. Over the years she had brought so my laughter and smiles to me. It's still hard to believe we won't be talking about our Halloween and fall decorations this year. I will miss her beautiful smile and loving heart. You are all in my thoughts and prayers.
