

Susan D. Downer

March 30, 1946 - November 15, 2017

Susan passed away unexpectedly on Wednesday, November 15 in Corvallis.

Susan was born in Portland, Oregon to Emmett and Louise Vickers. She was the youngest of four children. Her family moved to Coos Bay, Oregon when she was 5. She graduated from Marshfield High School in 1964.

Susan was very active in high school as a member of the rally squad, sang in the choir and was the secretary of her senior class. Outside of school she was a member of Jobs Daughters where she rose through the ranks to the position of Queen. She also found time for tap dancing and ballet. Her love of dancing spilled over to participating at the Runeberg Hall where traditional Scandanavian dances were taught. Little did she know this is where she would meet her future husband when in the 7th grade. Later, when a sophomore in high school, she started dating Ken Downer and they became high school sweethearts, eventually marrying in 1964. This relationship lasted 53 years until her death.

Susan worked in several different occupations; as a secretary at Oregon State University, as a legal secretary, and finally as executive administrative assistant at Hewlett Packard. She retired from HP in 2002.

Retirement allowed Susan to pursue her personal interests. She enjoyed decorating her house and yard around special days and holidays. She also enjoyed traveling and RVing with her husband Ken. She continued her love of dancing by taking classes in line dancing and Zumba. She was an excellent cook and loved to entertain.

Susan was preceded in death by her parents, brother James Vickers and sister Dorothy Leply. Surviving her are husband Ken of Corvallis, son Brian of Albany, brother-in-law Jerol (Shirley) of Gig Harbor, WA, sister Anne (Duane) Anderson of Tualatin, and numerous nieces and nephews.

A celebration of life will be held at 2:00 PM on Saturday, January 20th at the Corvallis

“ Ken and family:

We were very saddened at hearing of Susan's sudden passing. We hope you can take the time to heal by thinking of all the great times you had together. One of my favorite stories is of when you two were staying at Schaberg's Marana house and she took a picture of the bathroom and the mirror got her in the photo being less than fully dressed.

We stayed the next year in that bedroom/bath and were warned of taking photos!

Thinking of you,

“ Ken, I am so very sorry for your stunning loss. I wish you peace and healing which seems to come eventually, with enough time. Time which is very, very difficult.

I remember Susan so well from the 6th grade at Blossom Gulch School, as well as at numerous North Bend High School reunions for your and Ron's class of 1963.

Again, I am so sorry for your loss.
