“ To Molly, Angie & Brian,

It's been years but your husband & dad made a huge impact on my life. I never got a chance to see him after you moved to the valley. Tommy & I worked together for a summer in 1970 when I was going to school. He & I took one or both of the kids fishing at Chickahomny. In 1980 when Hines shut down Tommy hired me plowing snow that winter on the Burns Section. He found out about an ODOT electricians job in Pendleton. I was an electrician for Hines I retired here in Pendleton 5 years ago as an ODOT electrician. I always wished I had got more time to tell Tommy how much his help in getting me that electrician job was one of the best things to ever happen to myself and my family. We did talk but he had no idea now after I reflect back. Now I must say it to you, his loved ones; Tommy was one of a kind and one of the best friends a guy will ever find. We will all miss him dearly. Please know our hearts and prayers are with you at this time.

God's Peace,
Mark & Gale Gronso
