“ I will miss my friend Val. I loved her sense of humor and big hugs whenever we would happen to run into each other in the Merc or at Bimart. So glad I stopped to visit her just days before she passed.

“ I am so very sorry to hear of Valerie's passing. I always enjoyed visiting with her and loved her dry sense of humor. She was such a hard working lady who lived by her own set of rules and a huge heart.....she will be missed by many. Goodbye to a true original lady. My sincere condolences to Valerie's family.

“ Wow! It's been so long since we have seen Val and it makes me sad that I missed the chance the last time we were in town. My favorite memory of her is how she was so gruff and grumbly but a little kid could come in and charm her to pieces. Our son Connor at 3 years old had her wrapped around his tiny little finger! And getting her to make my favorite omelet that had avocado in it. She hated cutting up "slimy" avocados. Lol! Val, you will be greatly missed! Our love to Shawn, Kate, Jo, Courtney, Jamie and the rest of the family.

“ I will miss Val, even though I have seen her infrequently since I retired from the Alsea Clinic. I so very much enjoyed my times of helping with her care over many years. I appreciated her very hard work at the Alsea restaurant, and my two kids loved working for her. She taught them more about cooking than I ever could have! Such lessons in maturity for all of us. Thank you so much, Val. Mary Ann Carr, FNP retired
