“ Abel was a gentle soul. He was kind and funny. I worked at the hospital with him, and it was always a good day when he was there. I think he left this earth a little better place in the time he was here. My deepest sympathy, Cathy Ramos

“ Abel is a very talented man, I remember him showing me videos of him singing and playing his guitar I was floored by the amount of talent that he showed. I am going to miss him terribly. I enjoyed working with him and enjoyed his impromptu singing while working. He always had a smile on his face and always said hi. Abel you are already missed

Nicole, thanks for the memory. I loved those videos. I wish he hadn't deleted them though from YouTube. Abel's mom, Melanie
