As Allen's parents, we thank you. This has been most difficult. Thank you for your kind words about our son. He truly was quite a guy!

Bernadine Burton - July 14, 2017 at 01:03 PM

Hi Bernadine. Allen graciously purchased some handmade woven bags from my partner Glo a few years back. She was saddened that he passed on at such an early age.

“ Aunt Bernadine and Uncle Jan are the definition of family, mine, their own kids/grand-kids, and so many other people. Always there, always. I know the loss I feel, and my family feels can not compare to theirs or Jon or Jeri's but hopefully they know how very much all of them are loved. Jay will always be my brother, from another mother! I love you all. Cindy and Joe Angell

“ We started our families in 1959, since that time we have been second families for each other. Children the exact same ages growing up together, sharing birthdays, graduations, weddings with love. We deeply share your loss and thank you Jan and Bernadine for being a rock for all of us. Peace be with the Burton family. With great love, "Uncle" Tom and "Aunt " Beverly

“ I am one of Allen's old Rip Van Winkle Dog Park friends and also a Vietnam Veteran. Allen was a good guy - it's as simple as that. He helped me greatly by introducing me to the VA system for medical care and disability claims. Based on his advice I have had some premier medical help these past 4 years and also have achieved some success related to various disability claims. He kept in contact with all of us from the dog park after he made the move to Corvallis and at least we know that he was enjoying himself up there with his new found friends and the new doxies in his family. We will miss him!

“ Jan and Bernie,

Peace be with you during this difficult time. We never knew your son but just knowing the two of you tells me how wonderful he was. He apparently wore our countries flag with great honor and loyalty. Our country needs more citizens like you and your family.

*May God Bless you.
