

Allen Davis

May 20, 1943 - March 28, 2018

Allen Davis passed away on March 28th, 2018, as a result of the aggressive progression of melanoma. He was born in rural Idaho and grew up on a cattle ranch. Among the many lessons from such a childhood, he learned the value of perseverance and hard work. Allen received a PhD in Civil Engineering and spent his entire professional career working as a hydraulic engineer at CH2M-Hill. He distinguished himself as renowned worldwide authority in his field.

He was a man of faith and service, and he spent the majority of his adult life as a volunteer ecclesiastical leader. His care, attention, and wise counsel has blessed countless lives. We mourn his loss in our lives, but celebrate his progression to the next stage of his life. He now rejoins his wife Paula, who he has dearly missed these past several years.

He is survived by his five children: Paul and his wife Julie; Rebecca and her husband Charley, Mark and his wife Heidi, Brent and his wife Dawn, and Debbie and her husband Richard as well as 20 grandchildren and 2 great grandchildren.

In lieu of flowers, Allen has requested that you instead donate to the Perpetual Education Fund in care of McHenry Funeral Home. Your contribution will help provide educational opportunities to people across the world.

“ We came to know President Davis as he was our stake president when we first moved to Corvallis. He was so loving, caring and a true shepherd in the service of our Lord. The talks he gave were wonderful to listen to and so uplifting. We felt we were in the presence of a true disciple of Christ whenever we were around him. Our condolences to the family. With love, Richard and Lori Gibbs

“ We have many good memories with Allen and Paula. He was a great bishop and stake president. We still remember his good direction and loving kindness to all. We will miss him. We wish we could be there with your family. We know you will be blessed with peace at this time. Love, Dave & Cherrie Blake
