“ Our family has fond memories of our neighbor for 48 years. Darryl Root was a quiet, gentle man who was always ready to lend a helping hand. Just two years ago he came up to our house with his riding mower and helped us get our mower unstuck! And an even older memory is of before we even lived on Pettibone. I had gone blackberry picking with a friend and she got her car stuck. We didn't know Darryl yet, but he was the kind man who pulled us out! He will be greatly missed. We send our love to Nondas and the rest of the family, and our prayers.
