“ Aunt Amy, I am saddened to hear of your passing -- God Bless and Godspeed. However, I am very happy for you to be back with your Mom (Grandma Margaret) and all of your brothers and sisters in heaven. Moreover, I am truly happy for you that you have gotten to finally meet your sister after all this time.

I thought about it, and I guess I never knew your middle name was Diane. But it is nice to know that now. I remember the days when I was younger back in Rugby for the Holidays and you would scratch out the Root on the Root Beer can you were drinking to act like you were drinking beer with the older siblings, brother-in-laws and sister-in-laws. I have to say I am sorry for not getting out west to see you over these last way too many years since the last time I visited. Until we meet again, Jeff.

God Bless and Godspeed!
