“ When I think of my Great Aunt Andrea I see smiles & laughter. I remember the fun times when I was a child, going to my "Auntie Ann" & Uncle Jimmy's house. Always a happy place to be. I remember my family's yearly journies to Sequoia where we would rent cabins for a few days a relax & have fun. In recent years I had reconnected with her & My late uncle Dave.. Always upbeat & making the best of any situation I feel like not only did I lose my Great Aunt, but I lost a good friend. Reast in peace Auntie Ann... I'll always remember the good times. I love you, Rick
