

Andy Walker

July 17, 1953 - November 7, 2025

Andy Walker (72) was born July 17th 1953 in Corvallis. He passed from us on November

7th, 2025 from Lewy Body Dementia.

Andy was the proprietor of Walker's Greenhouses after his father retired. Andy and Cathy ran

the business for the next 40 plus years continuing on from what was started in the late '40s,

At Andy's retirement he was still busy with raising Labs and very much involved with

Valley Thunder Kennel hobby/business. Always the avid bird hunter, he was loved and will be missed.

50 years of sharing your passions, your spontaneous antics, sense of humor and your soul, this

life will never be as full.

A celebration of life will be announced next spring.
