“ *Hi Teresa and Sandy I'm so sorry to read about your Mom, I last talked to her at my Mom's funeral and it was such a delight to see her. We exchanged email addresses and I'd only heard from her a couple of times. I have many fond and wonderful memories of her in my life, I always told her she was my favorite aunt and I meant that 100%, I truly loved her. I am planning on going to her service so I should see you there. Love you guys! Debby*
