“Ann was such a nurturer, especially with her family , or any underprivileged or hungry individual or animal she met. When Jimmie and Ann were newly married she felt so sorry for the vacuum cleaner salesman who gave them a free demo because he was so poor and not getting a commission that she wanted to buy the vacuum. I also watched as she fed deers every night who would come up to eat apples that she left out for them on the front lawn. Evidence of her love for others and animals around her was always quickly evident in her heart for her family. She will be greatly missed. My brother was blessed to share his life with her. Ann was a lifetime friend of mine since 1974, a friendship beginning on the stairs of Calvary Baptist-Garland, while attending a fellowship one Sunday evening. It was not long after that we found ourselves teaching one of the 3 yr old classes in the Calvary Baptist Education Building for over 10 years, working for another lifetime friend with, Jimmie assisting. Ann was one of the most compassionate and kind friends anyone would ever meet. Ann would assist with so many other projects and was gifted as a talented artist. Ann will be so missed and I still look for texts. Us grandmothers always had so much to text about. I have a lifetime of memories for the years her family lived in Garland, Tx. and our friendship continued with notes, cards, texts and phone calls. I admired Ann that she could also work in being the most wonderful caregiver for her parents when needed. GOD BLESS THE EGGERTON FAMILY. Prayers for all the family are petitioned to our Lord and Master. Lorraine Schriver
