Ann Studier

January 21, 1942 – May 31, 2018

Heaven received an angel on May 31st. Born on January 21, 1942 in Council, Idaho to Ralph and Louise Van Houten, Ann spent her early years in La Grande, Oregon before moving to Burns, Oregon. In 1960, Ann graduated from Burns Union High School then attended Willamette University for a year before becoming a stewardess for United Airlines in Pittsburg. After meeting her future husband in 1963, she moved to Seattle.

Ann married her forever love, Don Studier on August 8, 1964. Don's work moved them from Burns to Vancouver, Washington to Seattle, back to Vancouver, to Walnut Creek California and finally to Corvallis in 1978.

Ann was the treasurer for the Corvallis Aquatic team for many years. She then worked for the Happy Cooker until she discovered her real love for knitting and needle crafts at Knit One, Purl Two. In 1988 she helped create and was the co-owner of a counted cross stitch store in downtown Corvallis; Friendship Crossing. She later became the sole owner of the store. Her family proved to be most important to her and being with them became the center of her life. She will be deeply missed by her family, friends, and all who knew her.

Preceded in death by her parents Ralph and Louise Van Houten, she is survived by her husband Don, three daughters, Terri DeStafeno (David), Tiffany Crain, Traci Melton (Tony), seven grandkids, Jason, Nathan, Brian, Codi, Kayla, Kiaya, Dani and one great-grandchild, Dylan.

There will be a service to celebrate her life at 1pm on Wednesday, June 6th at McHenry Funeral Home. Please send thoughts and condolences to www.mchenryfuneralhome.com.

In lieu of flowers, donations can be made to Bit by Bit Adaptive Riding Horse Therapy in Ann's memory. <http://www.bitbybitadaptiveriding.org>.

“ My heart is so sad. This lady meant so much to me. She is one of my Mom's long time dearest friends even though we have not seen each other a lot over the last few decades. I was a teenager when we lived in Vancouver at the same time as the Studier's. Mrs Studier had the hardest time convincing me to call her Ann as I moved into adult hood. I babysat the girls when we lived there. She took me in for a week after we moved away and taught me to sew and how to repair my mistakes. A craft I've continued my whole life. She always made me feel like she was so glad to see me and that she wanted nothing else but to be talking with me. Her smile and joy rests in my heart. Mr Studier (Don) you were the perfect example for me what a husband should look like, no matter how long you've been married. I wish I could give you a hug. I'm so sorry. Terri, Tiffany, & Tracy, I loved receiving Christmas cards every year with your families and children. It was fun watching you grow up through Ann' s cards. I know you were too young to remember me, you all have a special place in my life and I am so sorry for your loss of this special lady. I was looking forward to that visit to Montana once Mom got moved here.
