Halpern

David, I am so sorry to hear of Anne's passing. I remember the great time we had a few years ago walking across the Brooklyn Bridge. I'm so glad we were able to spend that time together. Anne and I not only went to Bronx Science together, we were Iota Alpha Pi sorority sisters at CCNY. She was a wonderful person and I'll never forget her. Please do take care of yourself. Love, Ronnye Halpern
