Anne B. Moore

August 31, 1952 – June 25, 2017

Anne spent her teenage and young adult years on the island of Guam; she became a Public School teacher there and taught 2nd grade. After getting a Masters in Education at OSU, she taught overseas with the Department of Defense and was located in Germany and then Okinawa.

Anne loved all forms of art and was an avid painter; she also authored several Children's Books and dedicated them to her nieces, Sydney and Georgia.

Anne struggled with Multiple Sclerosis for decades - a disease that would eventually cause her death on Sunday in Corvallis.

Anne is survived by her sister, brother-in-law and two nieces as well as cousins and many wonderful friends.

Arrangements are under the direction of McHenry Funeral Home.

“ I am so sorry to hear of Anne's passing. She was my dearest friend when we were in our teens on Guam. I left the island when I was 16 and though we communicated through letters, we unfortunately lost touch. As the Internet became part of our lives, I periodically would do searches to find her but was never successful, until tonight and I was so saddened by the news of her passing. Just want you to know she was such an awesome friend and the world is a little less warm with her gone. So sorry for your family's loss.
