“ I really enjoyed working with Barbara at the Benton County Circuit Court from 1991 until she retired. She was a joy to work with and always had fun stories to tell. I know she was the light of Dean's life because I witnessed it every time he came for a visit. I am very sorry to hear of her passing. God Bless you and your extended family. Always - Carol Chilcote

“ Barbara and Dean have been our friends for decades. Barbara loved her family dearly. You can see that in her eyes. Every Christmas all the stockings go up which are all handmade by Barbara for every member of the family with their names on them. She was so proud of the Hanson Family. Barbara, you will be missed but your love will remain in our hearts. We will miss our lunches and dinners out together.

RIP, Barbara.

“ Beverly and the Nordyke family -- Barbara and Dean have been a familiar and friendly presence in our neighborhood, both when they lived down the street and moved a little further out. My thoughts and condolences are with you all. Losing a parent is so hard and leaves a big hole. Please live with the good thoughts of all your times together. If I can help in any way from across the street, please let me know.

“ Barbara was my Blue Bird leader. Met her in 1962 when I was in 2nd grade with her daughter Beverly. She's been like a part of my family every since. This photo was on my 55th birthday when she and Dean drove up to Olympia, WA for my party. They were also at my 60th birthday last summer. It is a blessing to have had her (and Dean) in my life these past 54 years. Debby Kellar Pattin
