“ *In loving memory of Barbara. She was a feisty woman yet kind and generous. Always there to lend an ear or offer a shoulder. A truly beautiful lady.*

“ *To the Wolf Family,
We are so sorry to hear of Barbara's passing. She was like an "extra" Grandmother to our kids, Christopher and Katie. She always remembered them at Holidays and birthdays. She was such an avid gardener and great cook. We have many fond memories of her as we lived on the Knollbrook Place cul de Sac for 39 years. She loved watching our kids grow up and never failed to inquire about them no matter how old they were.
Our hearts go out to all of you. May your good memories help you through this difficult time of grief. You are in our prayers.*

*Always,
Mike & Nancy,
Christopher & Katie Payne*

“ To the Wolf Family ~

My husband and I were saddened to read about Barbara's passing. We lived next door to Barbara and Ray on Knollbrook Place for many years, and thoroughly enjoyed having them as neighbors. They always inspired us to work on our home because their house looked like a million bucks! We will miss Barbara's generosity. She always had time to stop what she was doing and visit. And she surprised us each year with a beautiful Christmas basket filled with treats. We are so very fortunate to have known Barbara and Ray. Our thoughts and prayers are with you at this sad time.

*Sincerely,
Steve and Patty Pearson*
