

Betty Jean Byerley

February 24, 1932 - September 1, 2017

Betty (85) passed away on September 1, 2017 in Albany, Oregon. In 1969 at the age of 37 she married her first husband, Raymond Pamplenin in Corvallis, Oregon. They made their life in Alsea. Ten years after they married, Raymond died of heart attack.

While working outside in 1985, Betty met William Byerley. It took Bill almost five years of courting to convince Betty to marry him. They were married on June 27, 1990 in Corvallis, OR. Three years later, they moved to their residence on Airley Rd and enjoyed their retirement years in their country home.

In April of 2009 after studying the Bible, Bill and Betty rededicated their lives to God and were baptized in the Dallas Seventh-day Adventist Church.

Betty loved children, flowers, and animals including her horses Dusty and April, which she would ride in Black Butte and later on trails across the Alsea River. She loved to take in and nurse numerous animals over the years. She also loved to go shopping and had a delightful sense of humor when it came to pick out clothing. We all have sweet and wonderful memories of Betty and she will be greatly missed.

She is survived by her husband Bill Byerley, two sisters, Ruby and Dorothy

and brother, Paul (Junior).

Betty has been laid to rest in Alsea Cemetery and is awaiting the resurrection of the saints at the second coming of Jesus. A memorial service will take place, Saturday, September 16 at 4:00 pm, at the Dallas Seventh-day Adventist Church, 589 SW Birch Street, Dallas, Oregon.
