

Betty Curry

October 10, 1928 - March 13, 2010

Betty Jeane Curry, 81 died Saturday at PS We Love Seniors in Corvallis. Born October 10, 1928 in Wauchula, Florida, she was the daughter of Ira and Addie Cowart Dennis. Betty married Robert Wallace Curry on June 21, 1948 in Wauchula. The couple had two children, Ronald and Linda. She was a homemaker and enjoyed reading in her leisure time. Betty moved to Corvallis in 2006 to be near her daughter.

A very cordial person, Betty always enjoyed meeting and socializing with new people—who, invariably enjoyed her Southern charm. She will be remembered as a feisty woman who always spoke what was on her mind.

She loved animals, especially horses and was so grateful to the Hospice staff who took the time and care to take Betty on field trips to see and interact with horses at Joe Taylor's Boarding Stable in Corvallis.

Preceded in death by her husband, Robert who died in 1978; her son Ronald who died in 1980; her brothers Ira and Carroll Dennis. Betty is survived by her daughter and husband, Linda Curry and Robert Grant; granddaughter, Amanda Martins and her sister Gloria Roe; numerous nieces and nephews.

Memorial donations in Betty's name may be directed to Heartland Humane Society in care of McHenry Funeral Home 206 NW 5th St., Corvallis, OR 97330. “ *She was a very special lady. I was born and raised in Hardee County and graduated with her from Wauchula High School, Class of 1947. Lois and I were stationed in Heidelberg, Germany when Bobby and Betty were in Bremerhaven. We took the duty train overnight to Bremerhaven and visited with them in 1953. Fond memories, Harry Brantley, U.S. Navy, (Retired).*

“ *I had the pleasure of meeting with Betty for many meals during the summer of 2009 when a friend briefly stayed at Corvallis Manor as Betty's roommate and then moved to Stoneybrook at roughly the same time as Betty. At Stoneybrook, I usually sat with my friend and Betty when I visited at meal times. She always welcomed me when I came and asked about me when I wasn't there, as if I had become an old friend that she just expected to be there. I saw Betty on several other visits to Stoneybrook during visits with my other friend and I always found her to be a charming person with a delightful and sometimes mischievous sense of humor. I wish her family peace at her loss and that they would be comforted knowing that Betty brought joy, humor and love to the lives of others, even those she's known for just a few hours or days.*
