“ *Dear Trudy and Brian,  
I am sad to read that Bill had pass away. I am sure that your heart aches from his departure. I want to let you know how I appreciate the strong male role Bill played in Zhivago's life. Bill was a man of integrity. He was positive, strong work ethics and an honest role model for Zhivago. I will remember him and your family with positive regards.*

*I pray that God gives you peace and comfort during this difficult season.*
