

Brent Raymond Iverson

May 17, 1977 - May 27, 2019

On May 27, 2019, Brent Raymond Iverson from Corvallis (42), OR, found his eternal hunting grounds in Heaven. He was born to Susan (Haase) and Michael Iverson May 17, 1977 and graduated from Junction City H.S. in 1995.

Brent chose to be a Public Servant, proudly serving his community as a Deputy with the Benton County Sheriff's Office for 11 years. Regardless of the dangers and hardships that came with being a Deputy Sheriff, he vowed to always protect others; a vow he will continue to keep for eternity.

Brent was an avid outdoorsman, enjoying many shared adventures with his dad, brothers, children and friends. When he was not outdoors, he spent his time playing with and teaching his children about "all things Iverson".

He was more than a Deputy; he was a loving partner to Erin Bowers, whom he had just built his dream home with, located on a piece of land next to his mother. His greatest joy was the privilege to be a devoted and playful father to his children Jacob (14), Brian (10), and Chelsea (5). The memories this amazing man provided his family created a heritage to last a lifetime.

Brent leaves behind a legacy of love and inspiration with his surviving family members: mother Susan Iverson; parents Michael & Lynne Iverson (stepmother); partner Erin Bowers; sons Jacob and Brian; daughter Chelsea; ex-wife Lisa (Krebs) Iverson, siblings Kori, David, and Travis.

Memorial services are to be held at the Suburban Christian Church 2:00 PM, Friday, June 7th, 2019 (2760 SW 53rd in Corvallis, OR). Doors open to the public at 1:30 PM. Arrangements are handled by McHenry's in Corvallis.

Brent, we appreciate you, we admire you, and we honor the knowledge that you lived your authentic life as a true blue, camo-clad guardian of the community.

“ I met Brent while working at Starker. It was great to have him stop by and check on how things were going in the woods and if we had heard any trouble. He became part of the starker family. He was out for tree planting day, he came when we had bbq's and any trouble starker had in the woods he was there taking care of it. He was a great man taken to soon. He will be missed and our prayers go out to his family.

“ My deepest condolences to all of you. Brent was my friend, neighbor and our children are friends. You always had a smile on your face and a sarcastic comment for me. I will never forget how you helped me organize the Type 1 diabetes walk in support of Jake and I. You walked with us in the pouring down rain. You did complain a little 🙄 but you kept going. I will miss your friendship and all of your crazy stories. Big hugs to Brian, Jake and your mom.
