“ Hi - I found a metallic memorial bracelet with Brenten's name outside of Moab and would like to return it to its owner if that owner desires such. Best wishes all.

“ I am very fortunate to meet SSG Baker who not only sponsored me to Fort Wainwright, but he was so full of energy and knowledge. The few occasions that I (along with the rest of Charlie company) was invited to, at his home were fun times! What an Awesome leader, gone too soon! My thoughts and prayers gone out to his Loving Wife, Son Jack, and Daughter Emma, and the rest of his family members and friends! Brenten, may you forever RIP! You will be truly missed by all of us, and Never Forgotten!

“ SSG Brenten Baker served our nation proudly, and served his family lovingly. He was so much more than the man that I knew for such a relatively short period of time, and he will be deeply missed by so many, in ways so much more than I can ever know.

*His energy, his laughter, and his smile would often uplift the spirits of all those around him; and his casual, cavalier shenanigans seems to always be right on time, and were something I looked forward to witnessing during the long dark winter at Fort Wainwright, Alaska. Brenten knew how to play the role of a joker and a jester; but he was also a serious athlete & competitor and leader of Soldiers, and I counted myself extremely fortunate to serve as his First Sergeant, and to have him as fellow NCO and as a member of our "Husky Pack" at Charlie Company, 25th BSB.*

*During my experience with Brenten Baker, he presented himself as both a military professional, and as a trusted friend. He always impressed me as a man who knew the way, and who lead the way for his fellow Soldiers. I was fortunate to also spend a little time with him outside of our work & duty environment, and witness him interacting with family and friends... and he set a powerful example in the way he lived and the way he showed love and care for the people in his life. He shared his life with his family, and with all of us, in a manner that inspired us all to be our best selves, and to share the best within us with the rest of the world... just as he did.*

*May he Rest In Peace forever, and may his wife and children always take pride and joy in the life & love that he shared so freely with them! ❤️*

“ I met Brenten as Sgt Baker when I first was stationed at Ft. Wainwright with him. He was always a person loyal to the people around him. He was always someone I could talk to when I was going through the lowest point point of my life. The last time I saw him he made sure I had the best 21st birthday and bought me my first drink. Everyone will miss you Brenten, and I can't thank you enough for what you did for me. I wish your family the best, and I hope you are at peace now.
