“ Bruce was our UPS driver for many years, out Highway 34, west of Philomath. He knew our dogs and was always so kind and friendly. He noticed when we got new vehicles or did some change on the house or yard and we always had nice chats. I always felt that if I needed help in any way, when he happened to be here, he wouldn't ever hesitate to help. I used to give him homemade fruit syrup or jelly at Christmas and he was always very appreciative. We are so very sorry for his passing and want to extend sincere condolences to his family.
