

Bryan Jeremiah Parker

August 23, 1993 - June 15, 2022

Bryan Parker was born August 23rd, 1993, in Corvallis Oregon. Bryan went to be with his Lord and Savior on June 15th, 2022, at his home.

Bryan loved kids, dogs, motorcycle riding and overlanding. Bryan had worked several years at the Boys and Girls club while he was attending college. Bryan was hard to get to know well but once you did, he was someone you enjoyed spending lots of time with. During the pandemic he wanted to learn to ride motorcycles and ended up getting his endorsement and buying a Honda 450 RL that he rode around the Mary's Peak area and the mountains of Central Oregon. Bryan had a degree from Calvary school of ministry and had just last spring finished his bachelor's degree from Eastern Oregon University. At the time of his passing, he was employed at the Coastal Farm corporate office in their accounting department.

Bryan is survived by his mother Anne Parker, brother Kevin Parker and father Robert Parker of Corvallis. He is also survived by his two cocker spaniels Apollo and Venus, many aunts, uncles and cousins. There will be a celebration of Bryan's life Thursday June 30th at 1 pm at McHenry Funeral Home in Corvallis.

“ *Bryan, his parents, and his brother Kevin are a special part of our family. Bryan always added to the conversation, when I was visiting, and had a warm smile. I enjoyed his sense of humor and his kindness. You have been a special part of my life as cousins and family. My sympathy and love to all of you. ❤️ Brenda*
