“ I have many memories of Carol, all of them make me smile! She was so positive and inspirational to me. All of the Garden sales that I worked with her were so fun! The whole community loved her sales and beautiful garden.

Her love and knowledge of quilting was also an inspiration to me that I will always be thankful for.

I will always think of you in the garden my friend 🌸🌷🌺

“ Mrs. Farnes was an awesome woman that I really looked up to. She was a fantastic Home Ec. teacher. She helped me see I had talents in that area and taught me a lot. I graduated from OSU with a degree in Home Ec and have worked in the apparel industry since. Blessings of comfort to your family Mrs. Farnes, I'm sure you'll be missed greatly! I'm sure your talents will be put to use again in heaven.
