“ My best friend Rose and I went to stay at Kay and Art's Airbnb for a few days last August. Not only did we get to relax and have a wonderful vacation we were blessed to meet Kay and instantly feel like we've known each other forever. Her loving kindness will forever be engrained in me. Until we meet again Kay❤️ Sue Hawkins

“ ~Kay took me under her wing when I was a lost hippie, trying to find my way in the 1970's,. She was pregnant with Heather. Three y/o Holly would sing 'Jesus Loves Me' in her best voice. The words she fervently sang took root in me. Over the months I walked over from my next-door apartment and badgered Kay with questions about her faith. Why Jesus? One day she sat me down in her home and opened to Isaiah 53. I heard myself speaking words that were jumping off the page. The LIFE in the WORD was penetrating my all. Jesus IS Messiah! He had already come to the Jews. Being a Jew, I never knew this to be the TRUTH. Kay was God's chosen instrument to open my eyes to Jesus. I was born again. Then Heather was born, then Levi was born. Our lives took different paths, but the history remains. Kay was a gift to me for which I am Eternally grateful. I look forward to hanging out in God's Kingdom & singing Jesus Loves Me with Kay Helkey. And Praying for Art and family~You Are Loved! ~jacquie markowski
