“ *Although I never met Casey, when I read his obituary I felt like I knew him. From the day he was born I heard about him from his Grandma Kelly, as she has been a client of mine for over 15 years. I would like to say to the family that I'm sorry for your loss, sincerely,

“ *Karrie, Tyler, Phoebe and Woodrow- I stumbled on Casey's obituary today while catching up on reading newspapers. I looked at the name and the picture one hundred times before really realizing what my brain was trying to do....protect me from something I knew the first time I read it. Casey? really? My heart breaks for all of you. He was a special person and I feel honored to have known him. I hope he is at peace now and I hope that your memories of him bring you comfort in the coming days ahead. He was very loved and I'm sure the entire community of Alsea has wrapped it's arms around you. Thinking of you. Rebecca Veltri*
