“ Chuck's smile as I rolled into the car wash always made my day! It is so wonderful to see someone so full of life and staying active which should be an inspiration to all! Chuck has always been supportive of every trooper who has rolled through the Coburg Car Wash to keep their patrol vehicles clean and professional and each time Chuck would make sure to say thank you, let the trooper's know of his appreciation for their efforts, and encourage them to go about their daily service safely. I will truly miss Chuck and thank you to all of those Chuck works with and his family. From all of us at OSP we are truly sorry for your loss.

Respectfully,

Lt. Ryan Martin - Springfield Area Command

Chuck and Janell were my neighbors from 1988-1992. He always had a smile on his face and had something to say about gardening or just life itself. He may not have know this, but I really admired his work ethic and love of life. Even though I only saw him occasionally once I moved, he never forgot my name or face. He will always hold a special place in my heart. Thank you Chuck for your kindness towards me... forever grateful!!
