“ Charlie will be truly missed by all of my family. One of my fondest memories was after I'd moved to Brownsville and we were moving dirt with his cat (caterpillar) he had my grandkids on the cat with him and they had such a good time. He was loved by all of us and will be sorely missed. I loved you very much and I'm glad you're in heaven and resting with all who have gone before you. Clarice Norton and family

My sympathies to Charlie's family. Charlie was kind to me, and helped my family several times. The best story teller, ever. The world is a better place because of you, Charlie.
