“ To Jean, Paul ,Amy and grandchildren my mother and I send you this message: we loved Claire, dearly. We miss her frequent visits to our home here at Meadowbrook. She gave us special memories, over the years, that we will never forget. Memories of her presence, her smile, her kind acts of helping others and her conversations on a variety of interesting topics which added to an already full life lived with rich memories to savor. We sensed her deep love for her husband, children, grandchildren through the many stories she so proudly shared.. about each one of you, whenever she spoke your name. We have every reason today to celebrate her life on earth. The world is a better place because Claire lived her life for God, family, friends and country. We assure you of our continued prayers. Peace, Sister Charlotte Ann CSJ and Charlotte G. Ciommo

“ It is with a heavy heart that we must tell our friends and families about the passing of Claire (Ouellette) Charron my dear Mother and wife of Jean Charron. Claire passed away in her sleep in the early morning hours of Nov. 19. She was not ill but her heart stopped working. She is preceded in death by her son Andre and all six brothers and one sister. Amy and I brought Claire and Jean here to Oregon from Florida early this summer to live with us, she was in need of assistance with Jean who suffers from Dementia. We had the most wonderful summer spending quality time with them both. No ceremony is planned yet, but eventually Jean and Claire will be united in heaven and in their plot at the cemetery in Baker Brook, New Brunswick, Canada.
