“ I know things happen for a reason but we still ask... WHY? Cody, even though our time together was short I enjoyed every minute of it. I could always give you a bad time and you would dish it right back. You may be gone but never forgotten. May God be with you and your Family.

“ We liked to think of Cody as a friend, didn't really "hang out" with him, but like a good friend he would always help you out and make you feel important. So we say "Thank you for being a great FRIEND". You will be missed by many, loved by all and remembered forever!

“ Our heart, thoughts and prayers go out to the family. When Cody worked at Beggs Tire and Wheel we would need a tire repaired. We would drop it off and Cody would set it by our gate on his way home. We just live a mile away from him. Cody had a heart of Gold. Cody will be missed.
