“ I was sorry to hear about Coleen. It has been over 55 years since I last saw Coleen but I thought of her many times over the years. I wish I had taken the time to reconnect with her. And from reading the other notes it is my loss.

“ I met Coleen back in the fall of 1971 as our two families became one (Coleen's Dad Jimmy and my Mom Donna). Happy, bubbly, funny, kind, loyal, smart, energetic and 'too cute' are among her long list of attributes. Coming from a family of boys, it was great having such a terrific sister (along with Vangie). She will ALWAYS remain in our hearts and minds. Coleen, please say "hi" to Jimmy and give him BIG hugs from all of us. Forever your brothers!

“ Coleen was such a positive person and always had a smile on her face. Her giggle was contagious and made the people around her smile. I worked with Coleen for several years and enjoyed coming to work and seeing her there, listening to her stories and laughing along with her. The world will be missing a wonderful, truly good person. - Dianna Steinauer
