“ *My Aunt Cora was one of the most amazingly kind, generous, loving souls I have known. She would send me hand written letters all the time to keep me informed of the family. She never forgot our anniversary or birthday of my children, husband or myself. My kids knew that when a hand written letter came or card it was always from Aunt Cora. She always had a way of finding the good in a situation. Her heart was full of love and her family meant so much to her. My heart is broke knowing that such a good person has left this earth. We need more Aunt Cora's in this world. Rest in peace dear sweet Aunt Cora.*
