“ *Cora, you have become a very special part of my life during the past 15 years, and I will miss our conversations, letters, and (limited) visits. You will always be remembered, as will your love for "your" ocean. I am SO sorry you've had such a difficult time this past year, yet you always remained realistic and appreciative of your 94 years.*

Watch over Mother for me.....

Love, Martha

Cora was my cousin but I have not seen her in (hmmm) probably nearly 50 years. I remember that when I was a child, Cora would sometimes visit our home in South Westminster, BC. I know that my sisters, who were a little younger than Cora, would be sooo excited to hear she was coming because she was known as "the stylish one" and she usually brought with her a bag of clothing that my sisters would squabble over. I called Cora the last time we had a Hardwick family reunion but she was not well enough to travel so far. I am so sorry to hear that we have lost another leaf from our family tree. Barbara
