Tribute Wall

“ *I remember the first time I ever met Cynthia she wanted to make me feel better so she started singing her crab song lol! And that's when I fell in love with her. She had the kindest heart and she never liked to see anyone upset. She always wanted to make everyone laugh and have fun!! I am going to miss her so much. But someday we will see each other again! I love u girl and may you Rest In Peace*
