“ Dan was a good friend. We new each other from contra dancing and developed a friendship over the years that included helping each other on many home and business projects. Because I moved to Florida we didn't communicate often although we got together last January. I had hoped to see him next week. Wish I had found out he was gone sooner. I will miss him. Condolences to his daughter and family.

“ My husband and I enjoyed many years of square dancing with Dan. He had a friendly, upbeat spirit, kind heart, and lots of enthusiasm for dancing. We will miss seeing him, and extend our heartfelt sympathy to his family.

“ Dan was an enthusiastic contra dancer as well as a square dancer. He was also masterful cabinet maker . He always seemed so strong and active. His passing has come as a shock to his friends . May he rest in peace. Sincere condolences to his family.
