“ I will always remember the last time I sat with my Aunt Darn in Prineville Or. We were in my rental car visiting before I had to fly out. She didn't want me to go and I didn't want to leave!

😭 I started to cry with her, when the song "Darlene" by T Graham Brown came on the radio!

I said listen! Here's your song... She got a big smile on her face and said really? Well Rhonda Lynne I've never heard this song before! Ain't that something?

I believe God in Heaven knows how much she has meant to me. I have loved her my whole life and I know without a doubt that she loved me totally and unconditionally!

“ Well this is more of a memory for both Dave and Darlene. What a blessing it was when they moved to their home in downtown Bellfountain. They were what community was all about. There was always a lively bunch at the house, often music coming from that direction. Games to be played around the table and always a story to share.
