

Deanna Lynn Wedig

October 31, 1960 - June 11, 2016

On June 11th 2016 Deanna AKA "Teensie" Wedig gained her angel wings. Deanna was born October 31st 1960 to Fred and Wanda Wagner. Deanna grew up in Colorado. As a child she was outgoing, always happy and her siblings would describe her as mischievous. Deanna loved her Denver Broncos, Go RAIDERS!! Sorry Mom, I had to! Deanna loved Unicorns and butterflies. During her high school yrs she met and later married Steve, with whom she shared 2 children Brandon and Tarah. That marriage came to an end and eventually Deanna met and later Married Mike with whom she shared a daughter, Brittany. They landed in Oregon where they would remain. It was with that marriage to Mike she gained extended family Kristen Summers who was more of a daughter to her and Kristen's children whom she considered her grandchildren and The Waterman family. Deanna enjoyed listening to varieties of music, loved a good concert at Red Rocks amphitheater in Colorado, she enjoyed coloring and doodling on any and everything, time spent with friends was important to her, and she had become quite an avid collector, if you stumble upon an arrowhead pick it up in her memory. If you knew Deanna you remember her infectious laugh and just plain silly personality and you loved her for it, you can bet you were going to get into something and sometimes that meant trouble but that's Deanna for ya. Deanna is proceeded in Death by Husband Mike, and Father Fred. Deanna is survived by her Mother Wanda Wagner, Brothers Dave(Marie), Mike(Shirley), Ron(Denise) and Sister Kat (Tom).
