

Dennis Marion Dixon

December 29, 1941 - January 26, 2026

Dennis Marion Dixon was born December 29th, 1941, to Loren and Oval (Mitchell) Dixon in Toledo, Oregon. Denis spent his childhood growing up in Alsea, Oregon. He was the second of four brothers. Playing sports was a large part of Dennis' life and he passed down that passion to his children and grandchildren. When he wasn't playing ball, you could find him somewhere along the Alsea River fishing or in the hills hunting. Dennis loved the outdoors.

In 1964 Dennis was drafted into the US Army. He served two years in the Vietnam War.

A major part of Dennis' career was spent logging. He retired from Evanite in Corvallis, Oregon.

On May 18th, 1968, Dennis married Helen Robinson. Helen passed away February 7th, 2015.

Dennis leaves behind five children, Wendy Holland, Kristy Blodgett, Scott (Kathy) Dixon, Angie Dixon, and Craig Dixon. He has eight grandchildren and ten great-grandchildren. He is also survived by his brother Floyd Dixon and his wife Linda, sister-in-law Joanne Dixon, and many nieces and nephews. His brothers Larry (Sharon) and Lloyd Dixon preceded him in death.

Dennis was a gentle soul. He would do anything for anyone. He would give you his last dime even if it meant he would go without. His passion for the great outdoors was passed down to his family members. He loved cooking

and was very good at it. One thing he will always be remembered for is his story telling. He was the best storyteller! He will be greatly missed and forever remembered.

“ I will always remember uncle Dennis and his great stories. We loved to go see him as kids because he always had a funny joke, humorous half true (maybe) story and would take us on outing where “no white man had ever set foot before”.His compassion for others and love of life will be greatly missed Rest in Peace and keep the family above as enlightened with laughter and suspense as you did for us here on earth. God bless until we meet again!!

“ Dennis was my Father-in-law. I was so lucky to have had the opportunity to take care of him these last few years. We grew very close, shared many, many stories and laughs together. He would not always be honest with the doctors but I was always there to say, "ok now tell them the truth". He would smirk and say something smart to me. We had a special bond, and I will forever cherish the time we spent together.
